May 2024 Newsletter

Director's Notes

Mrs. Sandy
and
Mrs. Kelli

Hard to believe this is the last newsletter of the first year of me being the Director of TLC! It has been such a wonderful year and Trinity has been such a blessing the past 12 years I have been here! I am so thankful that we have such wonderful families that make every year the best year ever! Thank you for all that you do to make every year at Trinity such a success. I have always felt it takes a partnership between the families and the school for the students to be successful, and because of you, this year has been one of the best years! We are so excited for graduation. It is always such a busy time of year, but we have so much fun preparing to send our 4's off to kindergarten! We know they will be successful in kindergarten because we have filled them full of a love for school, a heart full of friendships, and the knowledge that learning can be so much fun!

Curriculum Corner

May

Our themes this month are: Mother's Day, Graduation, Kindergarten, and Dinosaur Fun

Letters: U and review

Color: review

Numbers: 19, 20 and review

Shape: review

Bible stories: Share God's love with others

3's News

How did it get to be May already? We are busy working on a special Mother's day project and talking about all the wonderful things we love about our Moms. We are also learning a couple of fun songs about moms. Later this month we will have fun with dinosaurs and unicorns which we know all the kids will have so much fun with!

We have truly enjoyed having all your children in our classes this year. We are happy and sad to see the year come to an end. We have loved seeing all the growth in the kids this year and we know they are ready to move up to the 4's classes. We thank all of you for your help, kindness, and generosity throughout the school year. We will truly miss your children. Don't hesitate to come back and visit!

Mrs. Lori, Mrs. Leah and Mrs. Rachel

4's News

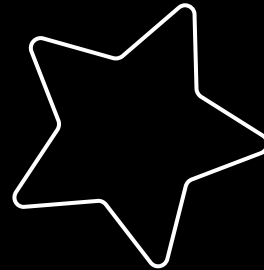

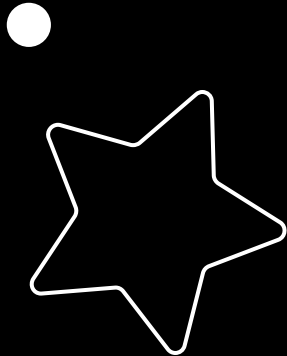

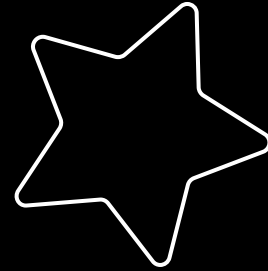

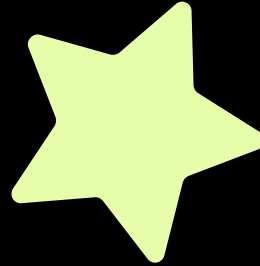

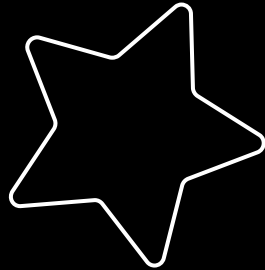

This time of year is always bittersweet for us. We grow so fond of all your children over the course of the year. We love watching as their little minds learn new things, and the little sparks go off. We love seeing them learn to write their names, and cut, and all the things we do in preschool. Then we have to say good-bye and send them off to kindergarten. We are almost as anxious as you and wish we could walk them through the door and see if all our hard work has paid off and prepared them for all the rigour that kindergarten has in store for them! Every now and then we are lucky enough to run into one of them and find out how they are doing! Your child truly does become a part of our family during this time (you too)! We have enjoyed having them in our class so much this year. Thank you for sharing him/her with us. We have enjoyed every moment!

Mrs. Sandy, Mrs. Cindy, Mrs. Rachel

Birthdays/Star Students

Important dates this month...May

- Wednesday, 5/1
- Thursday, 5/2
- Friday, 5/3
- Tuesday, 5/7

Water day and last day for 3's-no school for 4's

Graduation day for 4's

All School Picnic

Important Reminders

This is a very busy and exciting month for 4's. We have our Mother's Day brunch, all school picnic, and Graduation. Please make sure to make note of the dates and times so you won't miss out on these exciting events. The end of the year will be here before you know it! If you have any questions, please don't hesitate to reach out and ask.

I think most everyone has registered for next year, but if you have not, don't forget to do so soon before spots fill up! Morning 4's are full—but there are a few spots in the afternoon, and we have openings if you know anyone who has a 3 year old that wants to go to preschool!

Please remember to send water with your child. As the days are getting warmer, your child will really appreciate a nice drink of water after playing on the playground. Please also save the juice for home so that it doesn't spill on our carpets and stain it or make it all sticky—THANK YOU!

- Always feel free to reach out by email, phone or remind app if you have questions or concerns. 301-824-6567 tlcpreschool@myactv.net
