From the Teachers

We had so much fun in October that it just flew right by! We want to thank all the parents who joined us on the field trips and trick-or-treating-we appreciate all your help! We've been having a lot of fun working on fine motor skills and learning to write our names! We will continue to work on names throughout the school year. This month we will also continue working on touch counting and sorting, and we will start learning about patterns. We get to do all of this while learning about families, community helpers, and the importance of giving thanks!

BEFORE YOU GO

Thank you for all that you do to help Trinity fun smoothly! We appreciate your help on field trips, sending in fruits and vegetables, joining us for parties, working with your kids on homework, and all the things you do behind the scenes that we don't see! We love working with your kids every day and appreciate that you choose to send them here. We are thankful for you!
