

4's May Newsletter

May 2025

How are we already at the end of our school year?! We are so excited for all that is happening this month! We have loved every minute guiding your child through this school year! This month is always bittersweet because we know our time is coming to an end! This month we will start off with a Mother's Day brunch celebrating all of you, then we get to meet with you and tell you all the wonderful things we've observed about your child over the past year, then we have water day, and last, but not least, we wrap up our year with our Preschool Graduation! Oh yeah-and of course we can't forget about our all-school picnic to completely wrap up our school year!
